

Technical mentoring involves supporting someone to learn new skills.

Pastoral mentoring involves developing the whole person, which may include elements of technical mentoring.

Certified Life Mentor Programme

Helping you to use your experience to change the lives of others

Sharing your success

Programme delivery

Available as:

- 3-day group learning
- 6 x 3-hour group learning sessions
- Fast Track blended learning (eLearning and 1-day group learning)
- eLearning

These are then followed by a three-month portfolio to gain the qualification.

The total time is approx. 125-150 hours.

Assessment

Learners complete a reflective assignment to gain a Level 3 Certificate in Life Mentoring from Open Awards. This includes a reflection on mentoring an individual a mentoring intervention and their own learning.

They also have the option to sign up to the official Register of Mentors as an accredited mentor.

Introducing the Practitioner Life Mentor, a certification designed to recognize those who have been on their own journey and are using it to help others.

Mentoring is very different from coaching. A mentor has experience of the field they are mentoring in.

Life Mentors have often gone through a personal journey and come out of the other side. Now they want to use that learning for good and help other people going through similar journeys.

Experience, passion, fulfilment

Multi-award-winning training providers, The Mentoring School, have developed a programme to help you learn how to use those experiences for the benefit of others.

Our accredited programme covers up to date good practice skills in working with individuals or groups and will help you to volunteer or get paid to mentor others going through what you endured.

Our specialist Programme covers:

- Good practice for mentors
- Mentoring theory
- The difference between coaching and mentoring
- Getting mentees
- Structure of mentoring conversations
- Working with individuals or groups
- Mental health
