- eLearning

These are then followed by a portfolio to gain a qualification.

The total time is approx. 24-50 hours.

Assessment

Learners complete a reflective assignment to gain a Level 3 Certificate in Workplace Mentoring from Open Awards. This includes a reflection on how they have applied or would apply the skills (if they have not begun mentoring).

They also have the option to sign up to the official Register of Mentors as an accredited mentor.

Mentoring is a well-used approach to passing on technical skills to those less-experienced. What is less well used is pastoral mentoring, or the art of helping a mentee to develop their whole selves to achieve fulfilment and success.

According to a 2016 Deloitte survey, millennials who are intending on staying with a company for more than 5 years are more likely to be receiving mentoring.

Share, empower, motivate

Multi-award-winning training providers, The Mentoring School, have developed a programme to not only pass on their technical knowledge, but actively support and nurture junior legal professionals.

Experiencing better problem solving, higher satisfaction rates, better engagement, more retention and increased productivity!

This immersive programme is designed to ensure legal professionals maximize their impact by becoming certified mentoring practitioners.
