

Technical mentoring involves supporting someone to learn new skills.

Pastoral mentoring involves developing the whole person, which may include elements of technical mentoring.

Many younger people tell us they want to feel supported as a whole person to feel more engaged.

Certified Practitioner Mentor in Sports Programme

Helping develop pastoral skills in sports

Making the difference using sports

Programme delivery

Available as:

- 3-day group learning
- 6 x 3-hour group learning sessions
- Fast Track blended learning (eLearning and 1-day group learning)
- eLearning

These are then followed by a three-month portfolio to gain the qualification.

The total time is approx. 125-150 hours.

Assessment

Learners complete a reflective assignment to gain a Level 3 Certificate in Sports Mentoring from Open Awards. This includes a reflection on mentoring an individual, a mentoring intervention and their own learning.

They also have the option to sign up to the official Register of Mentors as an accredited mentor.

Introducing the Practitioner Mentor in Sports, a certified programme designed for those using sports to make a difference to the people you work with.

Developing players in sports is not just about coaching of the skills required. There is a huge need to understand how to meet the holistic and pastoral needs of those you are working with.

Many people in the sector tell us they feel unprepared or unsure of

Knowledge, skills, impact

how best to help or what to say.

Multi-award-winning training providers, The Mentoring School, have developed a programme to help you to actively support and develop the people you are working with.

The specialist programme covers up to date good practice skills in working with individuals or teams, covering the practical skills to support their personal development and increase their performance.

Our specialist Programme covers:

- Mindset
- Diversity
- Engagement
- Working with different generations
- Structuring mentoring conversations
- Motivating groups or teams
- Mentoring individuals
- Mental health
