School

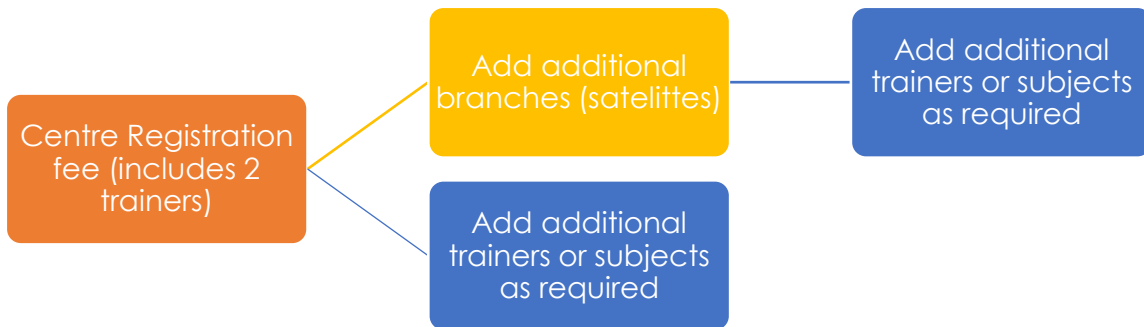

PARTNER PRICE LIST

September 2020

Calculating the prices

Training Provider and Employer Pricing Calculation

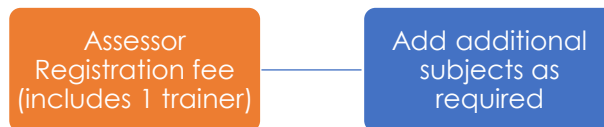

We only charge you for using the resources for the training, we do not charge registration or certificate fees, you access our online system to register your own candidates.

Licence fees can be invoiced on a monthly or annual basis, with a 3-month notice period.

External Assessment fees cannot be funded by the apprenticeship levy in the UK. Appeals and Additional Moderation Visits are charged separately.

Assessor and Consultant Pricing Calculation

We only charge you for using the resources for the training, we do not charge registration or certificate fees, you access our online system to register your own candidates.

Individuals sign up for a monthly contract, with a three-month notice period. At the annual review, individuals must have either delivered a Programme or be planning to deliver a Programme.

External Assessment fees cannot be funded by the apprenticeship levy. Appeals and Additional Moderation Visits are charged separately.
